**Subject:- Agenda item 6: Letter from Society of Young Scientists, All India Institute of Medical Sciences regarding request to retain the Privileges to sign the Laboratory Test Reports by relevant Clinical MSc/PhD degree holder-reg.**

Sir,

The above mentioned letter and its contents were discussed in the Academic Committee meeting held on 15<sup>th</sup> December, 2017. I am directed to that inform you the recommendation of the Academic Committee which is as under:

“The Society of Young Scientists, AIIMS has written to President, MCI requesting to reconsider recent draft Gazette notification in amendment to Clinical Establishment (Central Government) to Rules, 2012, MOH&FW, GOI.

The Academic Committee noted that the draft notification by MCI on CEA (Clinical Establishment Act) has been approved by the Hon'ble High Court of Delhi which has been upheld by the Hon'ble Supreme Court of India. The legal opinion rendered by the Law Officer of the Council was also taken note of wherein by citing various reasons it has been observed that the requisition made by the Young Scientists, All India Institute of Medical Sciences is not maintainable. Hence it is recommended the said requisition to retain the privileges to sign the laboratory test reports by clinical M.Sc. / Ph.D. Degree holders cannot be granted.”

The Executive Committee meeting held on 6<sup>th</sup> February, 2018 approved the same.

Yours faithfully,

*M. Rajalakshmi*
